1. Tutor Tereza

Tereza

BA (HONS), UNIVERSITY OF OXFORD

PERSONAL PROFILE

Tereza has a superb academic track record and an amiable personality, which makes her an incredibly popular consultant among her mentees.

QUALIFICATIONS OVERVIEW

- ★ Oxford University BA (Hons)
- ★ Oxford MBA, University of Oxford
- ★ Top 10 marks in Economics
- ★ Evidence of internationalising pedagogy (Oxford Extra SPG scheme)

SPECIALIST AREAS

- ✓ Politics
- ✓ Philosophy
- ✓ Economics
- ✓ Mathematics

KEY ACHIEVEMENTS

- ★ Awarded scholarship at top international university (Oxford)
- ★ Best possible grades in the final year of BA (Hons)

EDUCATIONAL BACKGROUND

MSC, DATA ANALYTICS
Oxford Brookes University

- Focus on ethics and technology

BA (HONS), PPE
University of Oxford

- Overall grade: 2:1
- Consistent performance on the level of a 1st in Economics throughout the degree
- Final papers: Microeconomics, Macroeconomics, Quantitative Economics, Econometrics, Microeconomic Analysis, Ethics, Knowledge and Reality, Philosophical Logic

PROFESSIONAL EXPERIENCE

ACADEMIC CONSULTANT
Freelance

- Oxbridge admissions
- Guidance for PPE applicants: Interviews & TSA support
- Support with data analytics

5. Tutor James

James Arnold

BA, UNIVERSITY OF CAMBRIDGE

PERSONAL PROFILE

James is passionate about knowing more about computers, life sciences, and philosophy, especially in an academic context.

EDUCATIONAL BACKGROUND

BA, MATHEMATICS & PHYSICS
University of Cambridge | 2022 – 2023

- Classical College
- GCSEs
- Victorian and Moderns
- Probability & Analysis
- Differential Equations
- Vector Calculus
- Waves
- Dynamics
- Applied Mechanics
- Quantum Mechanics
- Philosophy

TEACHING EXPERIENCE

Academic Consultant
Prevision | 2022 – Present

- Maths, Further Maths, Physical GCSE and A-level
- OS university application support
- Personal statements preparation
- Admissions to Medicine, Engineering, STEM
- Interview preparation and mock
- Competition entry

KEY ACHIEVEMENTS

- 3 A* and 1 A in IB
- A* in IB English
- Gold Award Chemistry Olympiad and Award in Physics Olympiad

6. Tutor Rhei

Rhei Ammaturo

PHD, UNIVERSITY OF STRATHCLYDE

TEACHING EXPERIENCE

Student Demonstrator
Strathclyde | 2019 – 2020

- Lead advanced science classes for primary school children
- Taught lessons to the school's ability and provided one-on-one support
- Graded the children's entry during exams, identifying relevant key information
- Maintained a library for professional authors for the children's interest to read to their class

EDUCATIONAL BACKGROUND

PHD, GENOMICS
University of Cambridge | 2020 – present

- Funding from the Wellcome Sanger Institute, Cambridge
- Areas of focus include:
 - Pharmacogenetics (drugs)
 - Field: maternal medicine
 - Translational effect of exons

TEACHING EXPERIENCE

Academic Consultant
Prevision | 2020 – present

- Personal tutor at Cambridge University
- Faculty of Medicine, secure
- GCSE and A-level tuition in Chemistry, Biology, and Chemistry
- OS university application guidance
- Postgraduate applications
- Competition entry
- PhD research

KEY ACHIEVEMENTS

- Knowledge Master Exam, Singapore
- Top 100 in the world in Mathematics
- Top 100 in the world in Science
- Top 100 in the world in Engineering

7. Tutor Elias

Elias Ruiz-Morales

PHD, UNIVERSITY OF CAMBRIDGE

EDUCATIONAL BACKGROUND

PHD, GENOMICS
University of Cambridge | 2020 – present

- Funding from the Wellcome Sanger Institute, Cambridge
- Areas of focus include:
 - Pharmacogenetics (drugs)
 - Field: maternal medicine
 - Translational effect of exons

TEACHING EXPERIENCE

Academic Consultant
Prevision | 2020 – present

- Personal tutor at Cambridge University
- Faculty of Medicine, secure
- GCSE and A-level tuition in Chemistry, Biology, and Chemistry
- OS university application guidance
- Postgraduate applications
- Competition entry
- PhD research

KEY ACHIEVEMENTS

- Knowledge Master Exam, Singapore
- Top 100 in the world in Mathematics
- Top 100 in the world in Science
- Top 100 in the world in Engineering

8. Tutor Kate

Kate Poulter

BA, UNIVERSITY OF CAMBRIDGE

EDUCATIONAL BACKGROUND

BA, Psychological & Behavioural Science
University of Cambridge | 2021 – 2024

- Areas of research:
 - Humanism in a digital perspective
 - Psychology
 - Medical history
 - Developmental psychology
 - Experimental psychology
 - Neurobiology
 - Chronic illness
 - Biopsychiatry
 - Free in Medicine and Society

TEACHING EXPERIENCE

Academic Consultant
Prevision | 2020 – present

- GCSE and A-level tuition in Sociology, Biology, and Psychology
- OS university application guidance
- Interview preparation
- Competition entry

KEY ACHIEVEMENTS

- Academic Consultant at the College
- Top 100 in the world in Mathematics
- Top 100 in the world in Science
- Top 100 in the world in Engineering

9. Tutor Cameron

Cameron Watson

PHD, UNIVERSITY OF CAMBRIDGE

PERSONAL PROFILE

Currently studying PhD Computer Science and mathematics at MIT. Strong background in Data Science, machine learning, artificial intelligence, and applied AI. Experienced in Python, Java, C++, and deep learning frameworks.

EDUCATIONAL BACKGROUND

PhD, Computer Science
University of Cambridge | 2024 – present

- Modules of interest:
 - Functional and Imperative Programming
 - Databases and Computer Security
 - Algorithms and Data Structures
 - Machine Learning and Complex Systems
 - Digital Systems

TEACHING EXPERIENCE

Academic Consultant
Prevision | 2022 – present

- GCSE and A-level tuition
- Computer Science
- Mathematics
- Physics

KEY ACHIEVEMENTS

- PhD Computer Science, University of Cambridge (in progress)
- First Class Honours in Degree of Computer Science
- Experienced in Software Engineering, Programming, Mathematics, AI and Data Science

10. Tutor Wei

Wei Bin

MEng Civil & Environmental Engineering
Imperial College London

EDUCATIONAL BACKGROUND

MEng, Civil & Environmental Engineering
Imperial College London

- Areas of expertise:
 - AI, Machine Learning, Deep Learning, and Reinforcement Learning
 - Python
 - AI/ML Intelligence
 - Data Science and AI/ML in Python/Python, TensorFlow, MLflow, Keras, PyTorch, etc.
 - Software development: Python, Java, C++, JavaScript (ReactJS, NodeJS), Intermediate JavaScript

TEACHING EXPERIENCE

Academic Consultant
Prevision | 2022 – present

- GCSE and A-level tuition for Physics, Maths, and Further Maths
- Data Science, AI and Machine Learning
- Personal Statement guidance

KEY ACHIEVEMENTS

- Knowledge Master Exam, Singapore
- Top 100 in the world in Mathematics
- Top 100 in the world in Science
- Top 100 in the world in Engineering

11. Tutor Fionn

Fionn O'Donovan

BA, OXFORD UNIVERSITY
PHD, SOUTHAMPTON UNIVERSITY

EDUCATIONAL BACKGROUND

BA, POLITICS, PHILOSOPHY & ECONOMICS
University of Oxford | 2012 – 2016

- Residence College
- Areas of interest:
 - Microeconomics
 - Macroeconomics
 - Finance
 - Politics (Philosophy)
 - Metaphysics

TEACHING EXPERIENCE

Academic Consultant
Prevision | 2020 – present

- Personal tutor at Cambridge University
- Faculty of Medicine, secure
- GCSE and A-level tuition in Chemistry, Biology, and Chemistry
- OS university application guidance
- Postgraduate applications
- Competition entry
- PhD research

KEY ACHIEVEMENTS

- Knowledge Master Exam, Singapore
- Top 100 in the world in Mathematics
- Top 100 in the world in Science
- Top 100 in the world in Engineering

12. Tutor Elon

Elon Julius

PHD, UNIVERSITY OF CAMBRIDGE

EDUCATIONAL BACKGROUND

PHD, ENGLISH
University of Cambridge | 2023 – present

- Yale University Full Scholarship Award
- A-levels:
 - James Joyce
 - American Literature

TEACHING EXPERIENCE

Academic Consultant
Prevision | 2020 – present

- GCSE and A-level tuition
- Computer Science
- Mathematics
- Physics

KEY ACHIEVEMENTS

- PhD English, University of Cambridge (in progress)
- First Class Honours in Degree of English
- Experienced in Software Engineering, Programming, Mathematics, AI and Data Science

KEY ACHIEVEMENTS

- Implemented in Python, JavaScript, Java, C#, C++, Go, R, Perl, SQL, Pure Data, Mathematica, and C++/OpenGL
- Used in Learning, Design, Learning, A&P, Art, Data Science, and Engineering
- Incorporated into teaching computer science, architecture, and engineering design

- Personal statement support
- GS university admissions
- Admissions test preparation (MAT and TMUA for CS applicants)
- Interview preparation (STEM and Computer Science)

STUDENT SUCCESS STORY

I worked with a student preparing for the Oxford Computer Science application. By focusing on data-driven approaches to solve real-world problems, algorithmic thinking, and problem-solving strategies, they grew in confidence and performed strongly in the test, securing an offer at their first-choice college.

秋田大学
Y. N. Data Science

Engineering

Admissions

KEY ACHIEVEMENTS

- Participated in Project Physics, Science Fair, Mathletes, AMSP, Parkville, and I.S.T. Science, Art, and Robotics
- Best Development Award
- Interned at C-4, Physics, and Chemistry, N.A.S.A., and JPL

- Job applications and job interview preparation
- Job numerical and reasoning tests

STUDENT SUCCESS STORY

After 10 interviews, an advanced, near-world-renowned institution, with a state-of-the-art facility, and with development, an engineering branch, from beginners to professionals, with industry experience and a passion for research, he happened to be chosen for admission, despite his lack of education. His personal achievement is that he used his job experience to learn skills to solve real-world problems, find innovation, and achieve academic and professional success. His first one-on-one consultation and finding his career engineering problems is highly appreciated by his students and he enjoys helping others develop their careers.

京都大学
K. I. Data Science

Teaching Assistant

Academic Consultant

Freelance (2018 – present)

- OGC & Level Support in Philosophy, Politics, and Economics
- 750 guidance, 5 successful cases in 2023
- 100+ university application guidance
- 50+ graduate advisors
- Competition entry

Key Achievements

STUDENT SUCCESS STORY

One of 100+ letters from students says: "Honestly, can't emphasize how much 750 helped. I was literally looking for a teacher to be able to read and follow my lead, a technique is perfect for me." In using 750's unique system for Economics, that was the case to be able to read the text for a 100% Master's.

名古屋大学
O.W. Political Science

KEY ACHIEVEMENTS

- 2 published in *Frontiers*
- 10 papers in *Frontiers in Molecular and Cellular Neuroscience*
- 1 published in *Cell Reports*

STUDENT SUCCESS STORY

Elor is a senior with over 4 years of experience helping students to achieve 100% on 100+ university, international, Oxford and Cambridge, both of which attracted personal and received substantial recognition. Elor helps students to improve their written confidence and enjoys taking on projects where students can be successful. That ability, even

Joint History of UCL and A-Level

- TPQ Graduate
- Advanced application alignment
- Personal statement support
- CV/Resume draft preparation
- Interview guidance

14. Tutor Takaya

Takaya

BA, UNIVERSITY OF CAMBRIDGE

PERSONAL PROFILE

Takaya's knowledge and enthusiasm for the subject enabled him to achieve first-class results.

QUALIFICATIONS OVERVIEW

- BA (Hons) University of Cambridge
- 2* A* and 2* A in HL
- A* in IP2

SPECIALIZED AREAS

Politics Sociology

KEY ACHIEVEMENTS

- Elected College Scholar in recognition of Takaya's academic excellence
- Won first for subject performance in the annual Cambridge University Essay Competition (2021)
- Won Cambridge College prize for excellence in IP2

EDUCATIONAL BACKGROUND

BA, POLITICS AND INTERNATIONAL RELATIONS

University of Cambridge

- Magnitude College
- Ranked 3rd in the whole course for his dissertation results
- Elected College Scholar for outstanding dissertation results
- Recipient of Magnitude College's HGPS prize
- Areas of Interest:
 - International political economies
 - Post-1945 East Asian political histories
 - International Organisations
 - Post-1900 political philosophy
 - 20th century social movements

TEACHING EXPERIENCE

Academic Consultant

(Freelance) (2018 - present)

- GCSE and A Level tuition in Politics and History
- GS university applications guidance
- Personal statement support
- Admissions test support
- Interview preparation
- Postgraduate applications
- Teaching English as a Foreign Language (TEFL)

21. Tutor Owen

Owen A.

MPHIL, UNIVERSITY OF OXFORD

PERSONAL PROFILE
Owen enjoys helping his subjects to achieve their full potential.

QUALIFICATIONS OVERVIEW

- ★ MCompSci from Oxford University
- ★ 1st class in Science
- ★ Good first class
- ★ Highest score possible 100/100

TEACHING EXPERIENCE

EDUCATIONAL BACKGROUND
MCOMPSCI, COMPUTER SCIENCE AND PHILOSOPHY
University of Oxford

- Christ Church College
- Academic exhibition for exam results
- Areas of interest
 - Algorithms and data structures
 - Quantum Computing
 - Artificial Intelligence and ML
 - Computational Medicine
 - Computational Biology
 - Robotics, IoT, Smart, Agency

22. Tutor Oliver

OLIVER OGDEN

MENG, UNIVERSITY OF OXFORD

PERSONAL PROFILE
Oliver is ambitious and goal-driven and ensures that his interests are able to understand the most complicated concepts easily.

QUALIFICATIONS OVERVIEW

- ★ Honours in Applied Engineering to Oxford School University
- ★ 1st in Engineering Science from Oxford University
- ★ 1st in Mathematics from Oxford University

SPECIALIST AREAS

EDUCATIONAL BACKGROUND
MENG, ENGINEERING SCIENCE
University of Oxford | 2020 - 2022

- St Edmund Hall
- Award for academic achievement and performance in examinations
- Areas of expertise
 - Chemical Engineering
 - Control Engineering

BA, ENGINEERING SCIENCE
University of Oxford | 2019 - 2022

- 1st class degree
- St Edmund Hall
- Open Exhibition award from Oxford University for outstanding first and second

23. Tutor Gabriele

Gabriele Lukoseviciute

MBIOL, UNIVERSITY OF OXFORD

PERSONAL PROFILE
Gabriele has a passion for Biology that has led her to pursue a career in this field.

QUALIFICATIONS OVERVIEW

- ★ Studying at the University of Oxford
- ★ 4.7% in A Level and AP Biology
- ★ 1st A* in GCSEs

SPECIALIST AREAS

EDUCATIONAL BACKGROUND
MBIOL, BIOLOGY
University of Oxford | 2022 - present

- St. Anne's College
- Areas of expertise
 - Cell life biology
 - Ecological biology
 - Evolutionary biology
 - Microbial biology
 - Microscopy
 - Diversity of life

TEACHING EXPERIENCE
Academic Consultant
University of Oxford

24. Tutor Bella

Bella Rawson

BA, UNIVERSITY OF CAMBRIDGE

PERSONAL PROFILE
Bella creates a positive learning environment for all of her students.

QUALIFICATIONS OVERVIEW

- ★ Living BA in Veterinary Medicine from Cambridge University
- ★ 1st class in Animal and Cell Biology
- ★ 1st class in all subjects

SPECIALIST AREAS

EDUCATIONAL BACKGROUND
VETERINARY MEDICINE
University of Cambridge | 2020 - present

- Jesus College
- Areas of interest
 - Biology of disease and epidemiology
 - Small animal practice
 - Pathology
 - Medical sociology
 - Evidence-based medicine research and the antibiotic movement
- Dissertation on the epidemiology of brachycephalia and the role of medical and social interventions to reduce the breeding of dogs suffering from the condition

TEACHING EXPERIENCE
Academic Consultant
Freelance | 2018 - Present

SPECIALIST AREAS

Computer Science Philosophy
Maths Academic

KEY ACHIEVEMENTS

- Head of Centre of Computer Science & Research Fellow
- The Queen's Medal for Dignity
- Awarded Academic Scholarship from Oxford University

Academic Consultant
Freelance

- GCSE and A-Level tuition in Computer Science, Maths and Further Maths.
- OS university application advisory sessions
- Personal statement support
- Admissions test guidance
- Interview preparation
- Program writing sessions

STUDENT SUCCESS STORY

Having been new to programming when attending Oxford University, I started to feel confident after a few weeks. Having students who have not had much coding experience join to university is to understand the fundamental building blocks for them and how to then combine their parts in the application process by building more detailed knowledge. But the did of programming than those studying Computer Science at A-Level.

40. Tutor Saul

Saul Boyer

MA, UNIVERSITY OF CAMBRIDGE

EDUCATIONAL BACKGROUND

M.A., Cantab

MA, UNIVERSITY OF CAMBRIDGE, 2018

BA (Hons), English

University of Cambridge, 2016 - 2016

TEACHING EXPERIENCE

Independent Academic Tutor

Freelance 2015 - present

- 14 years' experience preparing students for 7's, 11's, 13's and 16's entrance exams with pupils at Eton, Westminster, St Paul's, King's College, Winchester, Tonbridge, Lutter, Upper, Brighton, Cusick, and other schools
- Comprehensive coverage across all major exam boards and examinations (ISEB, GL, CEM, ISEB, SAT, ACT, etc.)
- Proven results including numerous economic gains (up to 40% improvement in creative writing scores and excellent extended production grades across all levels)
- Leadership role in UKSET's preparation, guiding international students through the UK school curriculum and preparing them for entrance exams and first-choice school placements.

STUDENT SUCCESS STORY

One recent student, Rocky, scored 90%+ preparation with Saul achieving top scores across all subjects. Through a focused programme, targeting maximising and minimising concentration, his performance rose to the 98th-99th percentile, with a top alternate score of 100% across all sections - a significant improvement for his mother, Mrs. He. "Saul's honesty improved. Thanks for you! Help we awarded." It's helping a little far from their house." "Saul was very helpful in placing a place at his new school." Brighton College.
